3rd BOARD OF GOVERNORS MEETING

The 3rd Board of Governors Meeting was convened under the leadership of Chairman, Board of Governors, Mr. Mian Amer Mahmood.

The meeting brought together distinguished members to discuss key academic, administrative, and strategic matters, reaffirming the institution's commitment to excellence and continued progress.

Leading with vision. Advancing with purpose.

UBAS LEADERSHIP CONGRATULATES VC UHS , MAJ. GEN. (R) DR. SOHAIL SABIR

The leadership of Lahore University of Biological and Applied Sciences (UBAS), including Vice Chancellor Maj. Gen. (R) Prof. Dr. Naeem Naqi, Pro-Vice Chancellor UBAS Prof. Dr. Naeem Mubarak and Chief Administrative Officer Mr. Asad Ahmad Khan, extends its warmest congratulations to the newly appointed Vice Chancellor of the University of Health Sciences (UHS).

The UBAS leadership conveys its best wishes for a successful and impactful tenure, marked by academic excellence, innovation, and continued advancement in medical education.

UBAS FACULTY OF COMPUTING STRENGTHENS GLOBAL COLLABORATIONS IN SUQIAN, CHINA

From exploring industry-academia linkages with the Suqian National High Tech Industry Development Zone, to formalising an academic partnership with Suqian University, and showcasing the innovative LUMINA project to faculty and students, these engagements reflect UBAS's commitment to advancing research, innovation, and global collaboration in computing and artificial intelligence.

Building connections. Sharing knowledge. Creating opportunities.

ACADEMIC EXCELLENCE, RESEARCH PRODUCTIVITY & ADMINISTRATIVE EXCELLENCE AWARDS

Celebrating Excellence. Recognising Dedication. Advancing Knowledge.

Lahore University of Biological and Applied Sciences (UBAS) proudly celebrated its faculty and staff through the Academic Excellence, Research Productivity & Administrative Excellence Awards 2026, honouring outstanding contributions to teaching, research, academic development, innovation, and institutional excellence.

These awards recognise the dedication, scholarship, and achievements of the individuals who continue to strengthen UBAS through impactful research, academic excellence, and a commitment to advancing knowledge.

A celebration of the people behind our progress, inspiring excellence, fostering innovation, and shaping the future of academia and research at UBAS.

UBAS STUDENTS SHINE AT STUCON '26!

A remarkable display of academic excellence, research talent, and competitive spirit as students from the Faculty of Rehabilitation Sciences (FORS) and Faculty of Pharmaceutical Sciences, UBAS proudly represented their institution at STUCON '26, Rashid Latif Khan University (RLKU). Competing across all five categories, our students secured outstanding positions while showcasing their knowledge, creativity, confidence, and teamwork.

STUCON '26 ACHIEVEMENTS

1st | Oral Presentation, Sehar Mushtaq

1st | Poster Presentation, Fatima Rehan, Laiba & Jaweria

2nd | Med Maze, Talha, Mahnoor, Dua & Kashaf

3rd | Oral Presentation, Maheen & Farwa

4th | Pitch Perfect, Laiba Khan, Haroon, Abdul Muneem & Taha Azhar

Heartiest congratulations to our students, faculty, mentors, and coordinators on this remarkable achievement!

Nurturing Knowledge. Inspiring Excellence.

FoPS SHINES AT NATIONAL STUDENT LEADERSHIP SUMMIT AND AWARDS

Immense pride for the Faculty of Pharmaceutical Sciences (FoPS), as our students brought home top honors at the National Student Leadership Summit and Awards 2026, by Youth Parliament.

Zainab Khalil — Quaid-e-Azam Gold Medal & Award in Arts & Creative Leadership
Mah Noor Tariq — Award in Sports Leadership
Laiba Ishfaq — Award in Women in Leadership

This remarkable achievement reflects the leadership, creativity, and spirit our FoPS students carry to every platform they step on. Congratulations, and here's to more milestones ahead.

FACULTY OF PHARMACEUTICAL SCIENCES BIDS FAREWELL TO CLASS OF 2026

Faculty of Pharmaceutical Sciences (FoPS) organized a heartfelt farewell party for its final-year students, marking the end of a memorable academic journey. The event featured warm performances, heartfelt speeches, and moments of laughter, as students and faculty came together to celebrate this special occasion.

The Dean, HoDs & Faculty Members warmly wished the future pharmacists well as they embark on their professional careers, encouraging them to carry forward the knowledge, values, and passion instilled in them.

As the Class of 2026 steps into a new chapter, FoPS wishes them a future filled with success, purpose, and pride.

Once a part of FoPS, always a part of the FoPS family.

CHARACTER DAY & FAREWELL FOR BATCH 22-26

Faculty of Pharmaceutical Sciences (FoPS) brought together vibrant colors & rich traditions, as it organized a special Character Day for its Final Year students.

Dressed as different cultural and iconic characters, the students showcased their creativity, diversity, confidence, and cherished memories, turning the day into a celebration of friendship, togetherness, and the beautiful journey they shared at FoPS.

A day woven with memories before they say their final goodbye.

WORLD PHYSICAL THERAPY DAY

The Faculty of Rehabilitation Sciences (FORS), Lahore University of Biological & Applied Sciences (UBAS) proudly celebrated World Physiotherapy Day 2026 with a distinguished symposium on "Cardio-Neurological Care: A Multidisciplinary Approach to Wellness," held on 8th September 2026 at the Auditorium.

The symposium was held under the esteemed leadership and patronage of Honorable Vice Chancellor, Maj. Gen. (R) Prof. Dr. Naeem Naqi; Worthy Pro-Vice Chancellor, Prof. Dr. Naeem Mubarak; Esteemed Chief Administrative Officer, Mr. Asad Ahmad Khan; and Distinguished Dean, Faculty of Rehabilitation Sciences, Prof. Dr. Shoaib Waqas, whose continued support and guidance contributed significantly to the event's success.

The symposium featured distinguished speakers from neurology, cardiology, physical therapy, nutrition, and psychology: Lt. Col. (R) Prof. Dr. Mujeeb-ur-Rehman Abid Butt, Prof. Dr. Javed Ashraf, Prof. Dr. Shoaib Waqas, Dr. Roohi Abbass, Prof. Dr. Sanaullah Iqbal, and Dr. Bisma Ejaz, who shared valuable insights on multidisciplinary care, rehabilitation, and holistic wellness.

UBAS extends its sincere appreciation to all distinguished guest speakers, FORS faculty members, and the organizing team, Dr. Muhammad Tariq Shafi and Dr. Fatima Guftar, for their valuable contributions and dedicated efforts in making the symposium a success.

Together, advancing multidisciplinary care, rehabilitation, and wellness.

POSTER COMPETITION - SUICIDE PREVENTION DAY

Faculty of Pharmaceutical Sciences organized a Poster Competition on World Suicide Prevention Day, spreading awareness on a cause that truly matters.

From striking visuals to thought-provoking messages, each poster reflected the dedication and artistic vision of our students, reminding us that every conversation about mental health matters.

Because awareness is the first step toward prevention.

WORLD PHARMACISTS DAY

Faculty of Pharmaceutical Sciences (FoPS) organized World Pharmacists Day 2026 under the theme "Empowering Pharmacists for a Healthier Future."

Prof. Dr. Naeem Mubarak, Pro-Vice Chancellor and Dean, Faculty of Pharmaceutical Sciences, highlighted the crucial role of pharmacists in the modern healthcare landscape and emphasized the importance of interprofessional collaboration in the healthcare system. Our esteemed speakers shed light on the diverse responsibilities of pharmacists and their significant contributions to patient safety and improved healthcare outcomes.

The event was graced by the presence of Honorable Vice Chancellor, Maj. Gen. (R) Prof. Dr. Naeem Naqi, and Chief Administrative Officer, Mr. Asad Ahmad Khan, whose presence added distinction to the occasion.

A day dedicated to recognizing the vital role of pharmacy in shaping a healthier future.

BEYOND THE CLASSROOM - IDEAS THAT TRANSFORM THE WORLD

As an initiative of the FoPS Health & Research Club, the Faculty of Pharmaceutical Sciences (FoPS) organized a seminar entitled "Beyond the Classroom: Foundations and Essentials of Initiating Your Research Journey". Minahil Fatima, President, FoPS Health & Research Club, highlighted the role of Artificial Intelligence in modern research.

Our Keynote Speaker, Prof. Dr. Naeem Mubarak, Pro-Vice Chancellor UBAS and Dean FoPS, enlightened students on the fundamentals of research and inspired them to think beyond conventional boundaries & explore new ideas. The enthusiastic student participation reflected FoPS's growing commitment to research, innovation, and global excellence.

At FoPS, we don't just learn science - we explore, question, innovate, and shape the future.

SUICIDE PREVENTION FOR YOUNG MINDS: HOPE BEYOND PRESSURE

Faculty of Pharmaceutical Sciences (FoPS) hosted an insightful seminar shedding light on mental health and suicide prevention among youth.

Our esteemed speakers Dr. Eesha Sohail, Campus Counselor, University of South Asia, Mr. Haider Miraj, Director Communication and Marketing UBAS, Mr. Sannan Akbar, Head Volunteer Management, Alkhidmat Foundation Pakistan, Dr. Bisma Ejaz, Assistant Professor LCWU and Prof. Dr. Naeem Mubarak, Pro-Vice Chancellor UBAS, shared real world experiences of individuals and highlighted key strategies for prevention and support.

Honorable Vice Chancellor, Maj. Gen. (R) Prof. Dr. Naeem Naqi, Pro-Vice Chancellor, Prof. Dr. Naeem Mubarak and Chief Administrative Officer, Mr. Asad Ahmad Khan, presented souvenirs to the esteemed guests as a token of appreciation.

A great turnout from students across all faculties reflected the growing awareness around this vital cause.

FOBS JOURNAL CLUB

Faculty of Biological Sciences (FoBS) successfully organized its Third Series of Journal Club 2026 from 1st–4th September 2026 under the Faculty Development Program.

The series featured contemporary research in cancer epigenetics, gut microbiome-based cancer therapy, climate-resilient smart crops, forensic entomotoxicology, ancient DNA forensics, immunoinformatics-based vaccine design, and biopharmaceuticals.

The initiative aimed to promote scientific dialogue, critical thinking, knowledge exchange, and research innovation in the biological sciences.

MOU SIGNING CEREMONY

Faculty of Pharmaceutical Sciences (FoPS) signed a Memorandum of Understanding (MoU) with Dr. Masood Homeopathic Pharmaceuticals (Pvt.) Ltd., marking an important step towards strengthening academia–industry collaboration.

Prof. Dr. Naeem Mubarak, Dean FoPS, and Mr. Shoaib Hakeem, Chief Operating Officer, Dr. Masood Homeopathic Pharmaceuticals (Pvt.) Ltd., signed the MoU.

The collaboration will promote faculty training, industrial visits, internships, and job placements for students, contributing towards their professional development and future careers.

1st BOARD OF STUDIES MEETING - FoC

Shaping the Future of Computing Education

The Faculty of Computing successfully held its 1st Board of Studies Meeting, bringing together academic leadership and industry experts to discuss curriculum development, academic standards, and emerging trends in computing education.

The meeting marked an important step towards strengthening academic excellence, fostering innovation, and ensuring industry-aligned learning opportunities for students.

NCEAC ACCREDITATION VISIT, FACULTY OF COMPUTING, LAHORE UBAS

Today marked an important milestone for the Faculty of Computing at Lahore UBAS. Our (NCEAC) Zero Visit for the newly launched BS Computer Science, BS Artificial Intelligence and BS Data Science programs was conducted by the distinguished academician Prof Dr. Qaiser Durrani.

The visit began with a warm welcome meeting attended by Vice Chancellor Maj. Gen. (R) Prof. Dr. Naeem Naqi, Pro-Vice Chancellor Prof. Dr. Naeem Mubarak, Chief Administrative Officer Mr. Asad Ahmed Khan, and Dean, Faculty of Computing Prof. Dr. Usama Bajwa. This was followed by a detailed presentation by Dean Prof. Dr. Usama Bajwa covering the introduction of UBAS and the Faculty of Computing, our alignment with HEC and (NCEAC) guidelines, the course offerings and contents, and the adoption of the Outcome Based Education framework across our programs.

A campus tour, lab visits and in-depth faculty interactions followed, led by Prof. Dr. Qaiser Durrani and Dean Prof. Dr. Usama Bajwa, showcasing our commitment to building a state-of-the-art learning environment for our students.

The visit concluded with a closing discussion with Pro-VC Prof. Dr. Naeem Mubarak, who presented a shield to Prof. Dr. Qaiser Durrani in appreciation of his visit. The external evaluator appreciated the progress made so far and offered valuable suggestions for further strengthening the programs.

A great step forward in our continued commitment to academic excellence and quality assurance, in line with our national vision of producing industry-ready graduates.

4th BOARD OF STUDIES MEETING - FoAHS

The Faculty of Allied Health Sciences, UBAS successfully conducted its 4th Board of Studies Meeting, bringing together academic leadership to review curriculum development, academic standards, and industry-aligned education.

The meeting reaffirmed the Faculty's commitment to academic excellence, innovation, and future-ready learning for students.

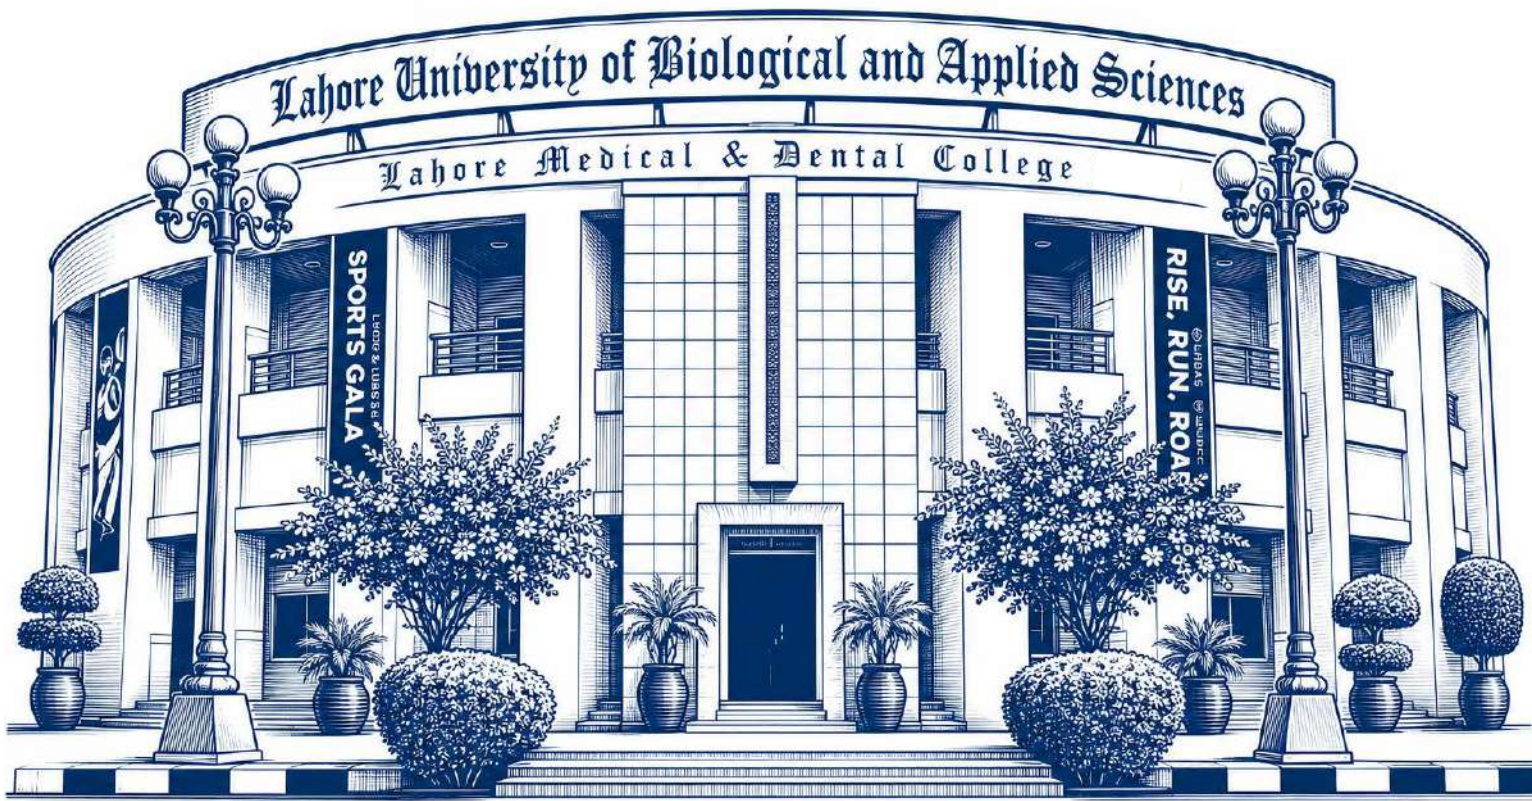

4th BOARD OF STUDIES MEETING - FoBS

Advancing Academics. Strengthening Excellence.

The Faculty of Biological Sciences, UBAS successfully conducted its 4th Board of Studies Meeting, bringing together academic leadership and faculty members to deliberate on curriculum development, academic standards, and strategies for strengthening teaching and learning.

The session reflected UBAS's continued commitment to academic excellence, innovation, and quality education.
